

Features

1280 x 960 High Definition Imager
140 Degree Viewing Angle
5 High Output IR LED Assist for Night Time Use
Low Profile Design for Side Mount Applications
Powder Coated Aluminum Housing
45cm Cable with Sealing Grommet
Built In Noise Reduction Circuitry
Three year warranty

Main Component Parts List:

- 1 - Camera x 1pc
- 2 - Installation kits x 1 bag
- 3 - Manual x 1pc

Specifications

Lens	2.4mm
Voltage	DC9 ~ 36V
Consumption	< 1W
Lens Angle	140° diagonal
Infrared LEDs	10M visibility
Housing	Aluminium alloy
Mechanical Vibration	5G
Dimensions	58W x 45H x 73D mm
Weight	158g
Temperature	-30°C to +70°C
Ingress Protection	IP69K
